

Quality Policy

The Management of Aegean Diving Services Limited have defined and documented the following commitment with respect to quality.

Every staff member has the responsibility to ensure the intentions of this policy statement are understood, applied and maintained with their own activity area.

Aegean Diving Services Ltd have made a commitment:

- To use the disciplines of ISO 9001 to develop and maintain processes needed to produce a level of inshore / inland commercial diving activities of a consistent standard of quality.
- To foster good relationships with clients by effective communications with clients and encouraging feedback.
- To continually improve the effectiveness of the integrated management system.
- To document and measure quality objectives and targets through internal audit and management review.
- To deliver commercial diving services in accordance with the specifications and requirements of our clients.
- That every employee constantly aims to improve the overall quality of company products and services.

By adopting this philosophy, the clients of Aegean Diving Services Limited will be assured of an excellent standard of completed projects and services in accordance with specifications and contracts.

Management has the ultimate responsibility to maintain the quality policy and shall promote all initiatives to attain and improve quality to:

- Give all personnel adequate information and training to enable all tasks to be undertaken with a consistent standard of quality
- Ensure that excellent relations between the company and the employees are maintained.
